

ITES 4-H Commercial Products and Commercial Services Clauses

The following clauses listed below are incorporated by reference and made a part of this Subcontract or Purchase Order. These clauses set for the Seller's minimum obligations and do not diminish any seller obligations set forth elsewhere in the Subcontract or Purchase Order.

In all cases, the clauses shall be interpreted to apply to Seller as necessary to reflect the position of Seller as a subcontractor to Colossal, to ensure Seller's obligations, and to ensure the ability for Colossal to meet its obligations to its customer. Without limiting the foregoing: (1) unless the context of the clause or applicable law requires otherwise, the term "Contractor" shall mean Seller, the term "Contract" shall mean the Subcontract as that term is defined above, the term "Subcontractor" shall mean Seller's subcontractor, and the terms "Government," "Contracting Officer" and equivalent phrases shall mean Colossal and Colossal's Contractual Representative, respectively; (2) the words "Government" and "Contracting Officer" do not change when a right, act, authorization or obligation can be granted or performed only by the Government or when title to property is to be transferred directly to the Government; and (3) where a clause specifies the number of days in which Seller must act, that number shall be reduced by half. All applicable clauses must be flowed down to lower-tier suppliers or subcontractors.
